Professional Experience

Blackthorn Residential, Knoxville, TN, Remote – Web Development Intern

January 2023 - Present

- Created a web application that utilized skills such as React, HTML, CSS, JavaScript, Git, and Node JS. Developed interactive components that were utilized on the website. Optimized the application for performance across different devices and screen sizes.
- Worked with Google Firebase to store and retrieve images to be used in the website's gallery. Created an admin dashboard for the Owner to upload images directly to the database.
- Assisted with company branding, including the creation of truck decals, logos, company merchandise, and more.

Starbucks, Chattanooga, TN – Barista

October 2020 – January 2023

- Engaged in a seamless collaboration with an extensive team to deliver exceptional consumer service.
- Successfully catered to a high volume of 250+ customers on a daily basis.
- Proficiently handled credit card and cash transactions with precision and accuracy.
- Provided attentive and personalized customer care, ensuring a comfortable and satisfying experience for each individual.

Hickory Construction, Knoxville, TN – Drone Pilot

May 2019 – August 2019

- Certified as a professional Drone Pilot for commercial operations.
- Proficient in adapting to diverse job-site requirements and executing accordingly.
- Produced multiple corporate videos in collaboration with marketing teams and executives.
- Proficient in video editing using Final Cut Pro X.
